

# The Original Index - Updated

The second edition of "The Who is Johnny Dollar Matter" contains a different index format from the first edition. I opted to have someone else do the indexing because I messed up my shoulder and could not type. That was a mistake I will not make again. So, to provide continuity, I have updated the original index with the page numbers for the second edition.

## Index Categories:

AFRTS Programs, Announcers, Background, Case Locations, Cast Members, Cataloged Stories, CBS Station Anniversary, CBS Stations Referenced, CBS Stations Welcomed, Commercial References, Home Address, Hotels Used, Marital Status, Music Supervision, Phone Number, Poisons Used, Producers, Recurring Characters, Sidearm, Writers
